### **6.0 SELECTION PROCEDURE FOR ADMISSION**

#### **6.1. Ranking of Candidates**

Selection of Candidates for admission to all the Degree courses will be based on the Merit lists prepared by CENTAC, based on the marks arrived at by adopting the 'method of normalization', as detailed in para 6.2 below. Ranking of the candidates will be done based on the 'normalized marks' (rounded-off to three decimal places) arrived at, to a base of 200.

##### **6.1.1 All Biology-based Degree courses**

For all Biology-based Degree courses, i.e. for M.B.B.S./ B.A.M.S / B.D.S./ B.V.Sc & A.H./ B.P.T./ B.Sc.(Nursing) / B.Sc. (MLT), admission is based on the marks secured by the candidates in the prescribed subjects in the qualifying examination (i.e. Biology / Botany & Zoology, Physics and Chemistry, including practicals, and 'normalizing' them by the prescribed procedure.

Equal weightage will be given to all the above three prescribed subjects. In case a candidate has appeared in more than one of the prescribed optional subjects, the subject in which the candidate has obtained the highest marks will be taken into consideration for 'normalization' and for calculating the actual total marks, in the prescribed subjects.

Wherever separate marks for practicals are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks and hence the 'normalized marks'.

**B.Sc (MLT) Course:** H.Sc. Vocational Stream Admission is based on the marks secured by the

candidates in the prescribed subjects in the qualifying examination

**i.e. for H.Sc. Vocational:** Physics, Foundation Science and Medical Laboratory Assistant Course (including practicals) and 'normalizing them by the prescribed procedure. Equal weightage will be given to all the above three prescribed subjects. In case a candidate has appeared in more than one of the prescribed optional subjects, the subject in which the candidate has obtained the highest mark will be taken into consideration for 'normalization' and for calculating the actual total marks, in the prescribed subjects. Wherever separate marks for practicals are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks and hence the 'normalized marks'.

### 6.1.2 B.Tech. Degree Course

Admission is based on the marks secured by the candidates in the prescribed subjects of the qualifying examination [i.e. **for H.Sc. Academic:** Mathematics, Physics and any one of the optional subjects (Chemistry / Bio-Technology / Computer Science / Biology / Botany & Zoology) & **for H.Sc. Vocational:** Vocational Subject Theory, Vocational Subject Practical and a related Subject] and 'normalizing' them by the prescribed procedure. Equal weightage will be given to all the three prescribed subjects. In case a candidate has appeared in more than any one of the above prescribed optional subjects, the subject in which the candidate has obtained the highest marks will be taken into consideration for 'Normalization' and for calculating the actual total marks in the prescribed subjects. Wherever separate marks for practical's are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks and hence the 'normalized marks'.

### 6.1.3 Other States/UTs Candidates Applying for Admission to B.Tech Degree course

Candidates applying against other States / UTs' quota of seats, admission to B.Tech Degree course will be based only on the actual merit marks secured by them in "AIEEE" -2012 (All India Engineering Entrance Examination), and a separate merit list prepared for them. For such Candidates, the 'normalization procedure' is not applicable. However, if a Candidate has secured 'cumulative negative marks' in "AIEEE-2012", then such a candidate is 'not eligible' for admission to B.Tech Degree courses coming under the purview of CENTAC.

### 6.1.4 B.Pharm. Degree Course

Admission is based on the marks secured by the candidates in the prescribed subjects in the qualifying examination

**i.e. for H.Sc. Academic:** Physics, Chemistry and one of the following optional subjects (Mathematics / Bio-Technology / Computer Science / Biology / Botany & Zoology) in which the candidate has scored the highest marks (including practicals) and 'normalizing' them by the prescribed procedure.

Equal weightage will be given to all the above three prescribed subjects. In case a candidate has appeared in more than one of the prescribed optional subjects, the subject in which the candidate has obtained the highest mark will be taken into consideration for 'normalization' and for calculating the actual total marks, in the prescribed subjects. Wherever separate marks for practicals are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks and hence the 'normalized marks'.

### 6.1.5 Other States/UTs candidates Applying for Admission to B.P.T., B.Pharm., B.Sc. (Nursing) and B.Sc. (MLT) courses offered by MTPG&RIHS, Pondicherry

Admission for candidates belonging to Other States /UTs for the above Degree courses will be based on the 'inter-se merit list' drawn based on the 'normalized marks' of the prescribed subjects, for the respective courses.

### 6.2 Normalization Procedure

In order to evolve a common base for comparing the marks obtained by the candidates from various Boards of Examinations (**Refer Annexure - II**), 'normalization procedure' as outlined below will be followed.

(i) The marks obtained by the students in the relevant subjects in the qualifying examination conducted by the various Boards or Authority, shall be equated with the marks obtained by the students in the same subjects in the qualifying examination, conducted by the State Board (i.e. State Board of School Examinations, Tamil Nadu), by adopting the method of normalization.

**Explanation:** Under the method of normalization, the highest mark obtained by the students of various Boards in each subject, shall be equated to the highest mark obtained by the students of the State Board in that subject, and the relative marks of other students in that subject, shall be determined accordingly.

**Illustration:** If the highest marks secured by a student of the State Board, in Physics is 100 and the highest mark secured by a student of any other Board (say 'X'), in the same subject is 90, then, both the highest marks will be considered to be equal to 100. If any other student of the other Board

(i.e. "X") secures 60 marks in Physics, when the first mark in Physics in the same Board (i.e. "X") is 90, then 60 marks secured by such a student will be considered to be equal to 66.667 marks as arrived at and given below:

$$(100 \times 60)/90 = 66.667\%$$

(ii) After normalization of marks of the eligible students of different Boards, in the relevant subjects, the 'normalized marks' obtained shall be merged into a 'common merit list'.

(iii) In cases, where more than one student have got the same marks in the 'common merit list', the 'inter-se merit' among such students shall be determined in the manner prescribed as in para 6.3 below.

(iv) For the purpose of normalization of marks of candidates from 'Other States', except for the B.Tech course, for all other such courses, wherever such quota is available, maximum marks obtained in the respective subjects, from among the various Boards under which the above candidates have actually studied and applied for a particular course, will only be considered.

**Illustration:** For B.Pharm course, if candidates from Andhra Pradesh, Madhya Pradesh and Maharashtra alone have applied against "All India quota", then, the above Boards and their maximum marks only will be considered, for the purpose of 'normalization' of marks.

(v) The Director, School Education, Government of Puducherry, will be the designated authority, to furnish the 'maximum marks' in each of the 'prescribed subjects' for the various courses, of the various Boards of Examinations, and furnish it to CENTAC. For the 'normalization Procedure' only the above officially furnished data will be used and will form the basis for preparing the 'common merit list' for the various courses, coming under the purview of CENTAC.

(vi) Candidates who have qualified in examination conducted by Boards other than the Boards notified in Annexure-II of the Information Bulletin (including Lycee Francais) should produce the equivalent certificate obtained from the Association of Indian Universities, New Delhi

### 6.3 Procedure for Breaking the "Tie" in the Merit Marks

When more than one candidate have got the same marks in the common merit list (i.e. the merit list

prepared after merging the normalized marks of candidates from various Boards), the 'inter-se merit' among such candidates, for each course will be determined "in the order of priority" as specified in Table I.

**Table I : Order of priority for breaking the 'tie' in the 'normalised marks' for various courses.**

Sl. No.	Course	Order of priority specified for the course
1.	B.Tech	(i) Percentage of actual marks in Mathematics (ii) Percentage of actual marks in Physics (iii) Percentage of actual marks in third optional (specified) Subject (iv-a) 'Total normalized marks' of all eligible subjects prescribed for the course (OR) (iv-b) Total marks of all eligible subjects prescribed for the course ( <i>This priority is applicable only for candidates of 'Other States'</i> ) (v) Date of Birth (vi) Random number assigned
2.	All Biology-based courses	(i) Percentage of actual marks in Biology/Botany & Zoology (ii) Percentage of actual marks in Physics (iii) Percentage of actual marks in Chemistry (iv), (v) & (vi) as specified for B.Tech course ( <i>taken in that order</i> )
3.	B.Pharm.	(i) Percentage of actual marks in Physics (ii) Percentage of actual marks in Chemistry (iii) Percentage of actual marks in third optional (specified) subject (iv), (v) & (vi) as specified for B.Tech course ( <i>taken in that order</i> )

The above procedure for breaking the tie of B.Tech will also be applicable to candidates applying with AIEEE score.

### 6.4 Admission to Professional Colleges in other states Against Seats Reserved for the Candidates from U.T. of Puducherry

Admission of candidates belonging to Union Territory of Puducherry to professional colleges (Engineering, Architecture, Medicine, Nursing, Pharmacy etc.) in 'Other States', against the seats reserved for Candidates from U.T. of Puducherry will be coordinated by CENTAC.
